

THE GREEN VILLAGE

Sustainable building and renovation

Climate adaptive city

Future energy systems

The Green Village student meet-up & Pub quiz!

Are you doing research on sustainable solutions in the built environment on the themes sustainable building and renovation, climate adaptive city or future energy systems? Or do you want to? Then sign up for the student meet-up at The Green Village. Martine Rutten will lead a workshop on how to advance sustainable innovations, followed by a pub quiz!

Sign up using the QR code below. We look forward to seeing you!

Friday 27 January, 14:30 - 16:30
Pub quiz optional: 16:30 - 18:00
@ The Green Village TU Delft
